July 2, 6, and 7, 2010

Upcoming Events

Biodynamic Work Day

Saturday, July 31, 2010

Tierra Miguel Foundation offers a biodynamic work day the last Saturday of every month. Please RSVP for the exact time. Bring closed toe shoes, a hat, water bottle, and something to share for a potluck lunch.

If you are interested in forming a carpool for the next Open House, Aug. 7, let me know.

csa@tierramiguelfarm.org

Dear CSA members,

I hope you've been enjoying the delicious squash! While we have been delivering summer squash on all of our drop off days, sometimes cucumbers go to the Tuesday run in San Diego and perhaps radishes in LA on Fridays and so on. I have been editing the newsletter three times a week. You may notice that the date at the top of this edition is different from past weeks. I am going to start writing the newsletter only once a week. The CSA Box Contents listed below include most of the items that might be in your box. Please understand that our packing changes day to day and this list may not perfectly reflect your box.

As for all that squash, the small yellow ones are a hybrid called Soleil. The large pale green ones with the stripes are an Italian heirloom called Costata Romanesca. The dark green are zucchini.

Coming soon in the box are tomatoes and beans. Okra and peppers will be available later, and we'll try to squeeze in our stone fruit as well. Thanks for all your support.

REMEMBER: If you refer a friend to our CSA and they invest in a 10 week membership, you get a box added to your credit with us. Spread the word and help our CSA grow!

Thank you for all your honey orders in our [Webstore](#). I'll be adding more items later this week.

Thanks,

Shoshana
CSA Coordinator

CSA Box Contents

Carrots
Strawberries
Squash
Chard
Parsnips
Parsley/Oregano
Rosemary
Cucumber/Radishes
